8 weeks, starts January 16

\$45 members / \$55 non-members

This class is an introduction to creative movement and tumbling techniques.

Tap, Ballet & Modern

Ages 7 & older, Saturday 11:00am - 12:00pm
8 weeks, starts January 16

\$45 members / \$55 non-members

This is an introduction to dance with an emphasis on movement, rhythm, and terminology.

Two-Dimensional Art Classes

Photography

Age 16 & older, Saturday 1:30pm - 3:30pm
6 weeks, starts April 2

\$80 members / \$90 non-members

Students will learn how to use the camera correctly and creatively to make better pictures. Class will be hands-on so bring a DSLR camera (no point and shoot cameras please). Fully charge the camera's battery prior to each class. Students may bring and use a laptop or tablet to view images in class. The class will include a field trip; however, transportation will be the responsibility of the student.

Three-Dimensional Art Classes

Ceramics with Ilham

Ages 6 & older, Saturday 9:00am - 10:30am
10 weeks, starts January 16

\$80 members / \$90 non-members
(\$35 materials fee)

Explore the ancient art of building with clay. Students will learn the various techniques of hand building, such as coil, slab, and pinch-pot. There will also be an opportunity to throw clay on the potter's wheel. After building their projects, students will learn the art of adding color through the process of glazing.

Ceramics with Michael

Ages 18 & older, Thursdays 6:30pm - 8:30pm
10 weeks, starts January 21

\$80 members / \$90 non-members
(\$35 materials fee)

Students will create ceramic pieces of art with the techniques of wheel throwing using a pottery wheel. This class will focus on centering, pulling, and shaping the clay by making simple vases, bowls, and cups. Students will finish with adding color by glazing their work.

Woodturning

Ages 18 & older, Saturdays 11:00am - 1:00pm
6 weeks, starts January 16

\$85 members / \$95 non-members
(\$35 materials fee)

Learn the joy of turning wood into beautiful and functional pieces of art in this beginner's class. With an emphasis on safety and wood turning principles, students will learn how to use and maintain a lathe and sharpen tools. Students will explore basic wood turning exercises with simple projects to build their skills, progressing to the techniques that will help you to make bowls and small platters.

OPEN STUDIO TIME

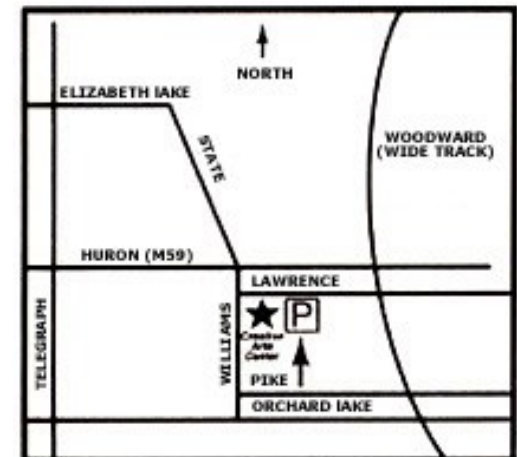

Thursdays 2:00pm - 7:00pm
Saturdays 9:00am - 1:00pm

The studios of the PCAC will be open to students' age 16 years and older currently enrolled in a three-dimensional art class. Open studio students must yield to members of a class in session. WOODSHOP MUST HAVE A DAW INSTRUCTOR PRESENT AT ALL TIMES. PLEASE CALL TO MAKE ARRANGEMENTS.

Tuition costs and material fees are subject to change. Scholarship matching funds may be available for eligible students who arrange with the PCAC Director prior to the first class meeting.
